

CEO's Welcome

Wishing you all a warm welcome to SNSG! Yes, we have rebranded, to maintain our established name since 2003, as well as moving forwards and upwards!

2020 is proving to be a challenging year, but with those challenges come new opportunities and horizons. I am pleased to publish that SNSG are embracing all of these changes and I am delighted to see that you are joining us for the journey.

It has been a long time since our last newsletter was issued (towards the end of 2019!) and thus a good while since I communicated with you, however, going forward we will be issuing a monthly newsletter via email. We would like to share more about the company you work for as you are the ones who make everything happen and we value you. There is lots of forthcoming news to report, such as what's happening at SNSG with our current and prospective partners, as well as reporting on new areas of the business.

I would like to draw your attention to items that you can be involved with, such as recruitment and the 'Colleague of the Month' award; where you can nominate colleagues who will then be entered into a prize draw. I would also like to request that you all join our Facebook page, twitter page and LinkedIn page. Stay safe, Otis.
